Explore Ebooks

Publishing is moving to the electronic age. More and more books are available electronically. Not only does this save you money, it is more convenient as long as you are comfortable with your electronic devices. Your first step into the world of ebooks is to explore what is out there.

EXPLORE EBOOKS

Steps

1. Benefits of ebooks.

Are ebooks for you? Brainstorm advantages of ebooks over regular books. Here's a list to start.

- Many free ebooks available
- Purchased ebooks are cheaper than printed books
- Read on computer or other electronic devices
- Easily carry them with you

2. Disadvantages of ebooks.

Brainstorm disadvantages of ebooks. Here's a list to start.

- No power equals no books
- Electronics more easily damaged
- May be hardware / software dependent
- Eyestrain

Compare the advantages and disadvantages. Are you leaning toward ebooks?

3. Ebook readers.

Proprietary readers are designed to read ebooks in a format they determine. Some can read other formats as well. Review the following list. How many have you heard of? Compare them and determine if a proprietary reader is for you.

- Kindle / Amazon
- Nook / Barnes & Noble
- iPad / Apple

4. Smart phones.

Smart phones have software that allows you to read ebooks. Examine ebook readers available for your smart phone. Choose one and install an ebook reader on your smart phone. Try free ebooks to see if you like the portability of ebooks. Here are a few applications to start your search.

- Kobo
- GoodReader
- eBook Search
- Stanza

5. Reading ebooks.

Try downloading an ebook on your computer, smart phone or ebook reader. Review your advantages and disadvantages. Which are more important to you after trying an ebook?
