Alien SWAP

Recycling can be fun!

Gather up old puzzle pieces and make a few aliens.

You can change what you add to the back and make fridgies, SWAPs or just trade them.

Tools:

Paint brushes / sponges
Glass with water (cleaning brushes)

Materials:

Recycled puzzle pieces
Paint
Markers
Wiggle eyes
Glue

Steps:

Paint.

Paint your puzzle piece in your favorite color. In the samples, we used green. Allow to dry.

Eyes.

Add wiggle eyes. Aliens can have one or lots of eyeballs.

Features.

Using markers, add other special alien feature.

Back.

For fridgies, attach a magnet. For SWAPs, add a pin back.

If you plan to use these as embellishments or to trade, leave the back empty so it remains flat.
