Paper Cup

Need a drink of water? A way to hold onto little pieces for a craft project?

Try a paper cup!

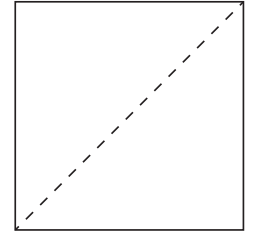

Materials:

Square sheet of paper

Steps:

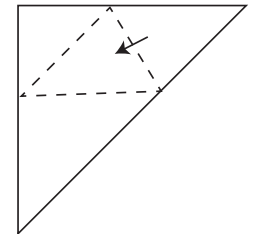

Fold 1.

Fold diagonally to make a triangle.

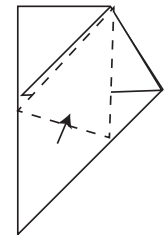

Fold 2.

Choose one of the corners along the longer side of the paper and fold to the center of the opposite side.

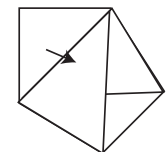

Fold 3.

Repeat fold 2 but start with the other corner along the longer side of the paper. The tops of the two folds will overlap each other.

Fold 4.

Fold the top flaps down to show the opening for your cup.
