Paper Bag Puppets

It's easy to put on a play with paper bag puppets.

You can use printables to attach to the bag or use your own designs to create a unique puppet.

Tools:

Crayons, markers, etc.
Scissors

Materials:

Paper lunch bags
Pre-printed puppet pieces
Glue
Yarn
Other craft scraps

Steps:

Printables.

If you plan on using printables, make sure they are ready to go. Cut apart, decorate and glue to the bag.

Design your own.

Show how the bag moves so your participants know how to decorate it, i.e., the mouth goes where the bag folds. Use yarn for hair or use craft scraps to decorate.
