Cloud Shapes

The human brain makes sense of its world by looking for patterns and shapes in things it sees. Use this natural ability to look at clouds and discover the shapes hidden in them.

NOTE: You'll need a cloudy day for this activity.

Area:

Large, outdoor

Materials:

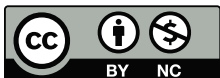

N/A

Steps:*Location.*

Find a location that is a good place to lie down to look at the clouds. You can also take a blanket or towels to lie on if you're worried about the dirt.

Share.

Share what you see.
