

Salt Dough

Salt Dough

Salt dough is a wonderful recipe that gives your kids a great way to make ornaments and more!

Tools:

Bowl and spoon
Drinking straw
Oven
Cookie cutters
Cookie sheet

Materials:

Flour, 4 cups
Salt, 1 cup
Water, 1-1/2 cups
Zip top bag

Steps:

Preheat oven.

Preheat to 275-300°F (135-150°C).

Mix.

Mix dry ingredients. Gradually add water, stirring with a large spoon. When it becomes too difficult to mix with the spoon, knead the dough until it is soft and pliable.

Store.

If you're not using the dough right way, place in a zip top bag. If it starts to stiffen, add water and knead before using.

Shape.

To use, roll out on a floured surface to 1/8" thick. Cut shapes with cookie cutters, homemade shapes, etc. Use a straw to make a hole to attach a hanger.

Bake.

Bake for about one hour or until hard.
