HAND SHADOWS

What you need for hand shadows:

- Wall or sheet
- Powerful flashlight or other light source

What you do:

- Point your flashlight at the wall.
- Put your hand between the light and the wall so your hand makes a shadow on the wall.
- Move the flashlight around until you get the sharpest, clearest shadow possible.
- Want a challenge? Try making your shadow move.

What you can make:

- Start with the shapes in this minibook.
- Find additional items on the Internet or at your local library.
