Seuss Science

SEUSS SCIENCE RECIPES

Let's start with a few recipes mentioned in the Seuss Science badge program.

Don't stop!

The recipes are basic. You can add food coloring to change the look.

Explore other recipes that are more science than edible. Can you adapt them into your Seuss theme?

Homemade Glurch

- 2 cups of white glue
- 1 1/2 cup water
- 1/3 cup warm water
- 2 tsp Borax

Mix top two ingredients in one bowl. Mix bottom two ingredients in another.

Pour borax solution into the glue solution.

Mix until it coagulates. Pull out the glurch.

If you have remaining solution, mix a second borax solution and do it again.

Use it like dough. You should be able to cut it with scissors as well.

Keep it in a sealed bag.

It will harden as it gets old.

**Seuss
Recipes**

Biodegradable Corn Plastic

- 1 TBSP Corn Starch
- 1.5 TBSP Water
- 3-5 Drops Cooking Oil

Mix ingredients together.

Microwave on high for 25-30 seconds until starting to bubble and slightly transparent.

Allow it to cool a bit. Be careful that it doesn't dry out.

Shape like other dough.

In 24 hours, it will become hard.
