Blanket SWAP

Who doesn't love a colorful blanket?
This very simple SWAP can be made anytime.

Tools:
Scissors

Materials:
Fleece, square
Blue tape, if desired
Safety pin

Steps:

Square.

From a piece of fleece, cut a small square.

Fringe.

Cut about 1/4" around the edges of the square to create a fringe. To keep it even, put a piece of blue tape about 1/4" from the edge and cut from the edge to the tape. See the diagram on the left for an example.

NOTE: You may lose the corners of the blanket as you create fringe.

Fluff.

Pull apart the fringe gently to fluff it up.

Add pin.

Add a safety pin to the fleece.
