# Breast Cancer SWAP

Use the "think pink" theme and make a simple SWAP with pipe cleaners and pony beads.

## **Tools:**

Wire cutters

## **Materials:**

Pony beads, pink

Pony beads, white

Pipe cleaner / chenille stem, 1/2

Safety pin

---

## **Steps:**

*Bend pipe cleaner.*

Bend pipe cleaner as shown in the image on the right.

*Pony beads.*

Add pink pony beads until the loop area is covered. You may add white beads to give the SWAP some color variance.

*Join.*

Slide a pony bead through both ends. This will simulate the "crossing" of the pink ribbon.

*More beads.*

Finish adding beads, leaving enough of the pipe cleaner to bend the end so the beads don't fall off.

*Add pin.*
