Camp Fire SWAP

What says "camp" more than a campfire? This SWAP has no possibility of burning fingers.

Tools:

Wire cutters

Materials:

Sticks, 3-4" long

Pipe cleaners, 6"

Orange, red and yellow

Safety pin

Steps:

Gather sticks.

From fallen branches, gather a small bundle of sticks.

Fire.

Fold pipe cleaners in half and place sticks in the center.

Wrap the pipe cleaners around the center of the sticks.

Twist pipe cleaners together at top and then fan out the ends to look like flames coming off the sticks.

Add pin.

Put safety pin through one or more pipe cleaners.
