Bookmark: Alaska Outlined

Use this bookmark when you're learning about a specific state or area within the state.

You can decorate it with stickers, rubber stamped images, photos, or ephemera. You might also want to decorate with glitter glue, markers, or even zendoodle on the bookmark.

NOTE: The font family is Fira Sans Condensed. You can find it free on Google fonts (fonts.google.com).

Printables

The following page has printable bookmarks for your use. The bookmarks should be cut in strips of 2-inches each with the bottom identifier cut off. The lines indicate where to cut these apart.

You may choose to print it on cardstock for a thicker bookmark or to laminate it. Both will allow it to last longer.
