Montana (USA) Badge Set

When you start your research for activity boxes, you'll combine your knowledge and experience with materials you have available. Your materials might be physical or digital.

Part of the Activity Box Fun supplements are the badge sets from the Enrichment Project. They give you basic information via the badges that you might explore as well as a list of the supplements that go with the badges. You may choose to use the supplements in your activity box or create your own content based on the ideas behind the supplements. With the materials in a badge set, you have a wide variety of items to choose from.

The Montana Badge Set supplements correspond with the badge set pages on the Membership Site, so you can use these supplements or the pages online.

Remember to keep the originals for your completed activity boxes so you can repair or recreate any of your original activity boxes in the future.

NOTE: You can also use individual badges for activity boxes.
