## North Dakota – At a Glance

The below list is a short glimpse into the state. It is a variety of things the state is known for, from foods to landmarks. With the “Explorer” badge, I didn’t want to go into too much depth. This list will give you a look at the state without a huge list to review. If you want more, check out the “Basics” badge program.

The list below is alphabetical. It has nothing to do with the actual items on the list.

Also, be aware that some of the items are for adults only (like alcoholic mentions). Review the list yourself first before choosing a few to introduce to your kids.
