

## Supplement List

This supplement list goes with the following badge program:

### South Carolina Printables

#### MEMBER LEVEL (free membership)

All badges will have the following basic information provided.

- *Badge journal* — review pages for after you present the badge program
- *Badge planner* — planner pages for determining what to present
- *Badge printables, general* — 12-up stickers for awarding, generic version
- *Badge supplement* — this document, supplements currently available per membership level

This supplement list also includes badge-specific supplements that are referred to as “Fun” sheets as well as other items. These supplements will be placed into the **MENTOR** level of the membership site. It is additional information for those planning to mentor / train others.

Many of these supplements include instructions for activities, challenges, crafts, games and more. In addition, some supplements are simple printables such as color and puzzle sheets. While the above bulleted list is provided with all badges, the badge-specific supplements will vary greatly depending on the badge program itself.

Any supplements that are completed at the time of the badge release that fall under the **MENTOR** level will be available for free on the blog for a week. After that, they will be moved to the appropriate level of the membership site.

To minimize work on my part, only this supplement list will continue being updated as I create new materials for badge programs. After all previously released badges have been updated and re-released, these supplements will be added.

To find out more, see the **General: EP Badges**.
