Badge List

This badge list goes with the following badge program:

When Mother Lets Us

MEMBER LEVEL (free membership)
All badges will have the following basic information provided.

- *Badge program* — PDF of the badge program
- *Badge list* — this document, badge items per membership level
- *Badge set* — badge set and related badges, if applicable
- *Supplement list* — supplements currently available per membership level

This badge list also includes badge-specific items that further enhance the badge program. These will be placed into the **MENTOR** level of the membershiip site. It is additional information for those planning to mentor / train others.

To minimize work on my part, only the supplement list will continue being updated as I create new materials for badge programs. After all previously released badges have been updated and re-released, these supplements will be added. Currently in the works are color sheets and puzzles.
