Badge Journal

The following pages can be used as a Journal for the Enrichment Project digital badge program

Camp Service

The Journal allows you to review your experiences with the badge program. This includes reviewing the steps you did, what worked (and didn't), what you'd like to change before doing it again and your thoughts on the entire activity / badge program.

In addition, there is an additional page. The volunteer feedback page allows you to give those who help you with the badge program the ability to give their opinions as well. This will allow you to see how others thought it went.

I hope this reference is helpful to you.

What Didn't Work at Our Activity / Event AND How to Fix It

This image shows a full page of handwriting practice paper. It features multiple sets of horizontal lines designed to guide letter formation. Each set consists of three lines: a solid top line, a dashed middle line, and a solid bottom line. These sets are repeated vertically down the entire page, providing ample space for practicing letter height and placement. The paper is otherwise blank, with no margins or additional markings.
