Drag Race / Finish Line

Two player game.

Each player starts by putting a marker on the first spot.

The first player rolls the dice (2d6 or 2 six-sided dice) and must match the number in the next hole with either the total of both dice or the number shown on the dice. The marker is moved to that hole. The turn goes to the other player.

If the play does not match either, they lose their turn and it goes to the other player without moving their marker.

Players alternate rolling the dice.

The player to first get to 10 is the winner.
