Walnut Shell Ink

TOOLS:

- Hammer
- Saucepan
- Spoon
- Stove
- Cheesecloth
- Jar with lid

MATERIALS:

- 4 Walnut shells, empty crushed
- 1 cup Water
- 1/2 teaspoon Salt
- 1 teaspoon Vinegar
- Paper bags

STEPS:

Put the walnut shells into the paper bag, crushing them with a hammer. Put the walnut shells into the saucepan, then add a cup of water to it. Bring the mixture to boil.

Strain the ink through your cheesecloth and into a clean jar. Put the cover on the jar and put it away so you know where to find it when you want to use it.
