Paper Finger Puppets: Band Wrap Template

The band template is only the band for the finger puppet. You can choose how much or little you want on your finger puppet. This allows your puppet to be fully customizable and the size can be changed to fit your designs.

On the band, you can add your own design. Some ways you may do this includes:

- Clip art
- Drawing
- Ephemera
- Magazine images
- Stamping
- Stickers

You may choose to do a person's face, an animal's head, a plant, a head and torso, or however you wish to design your puppet.

You may extend or decrease the lengths of the wrap, depending on your finger size.
