Recipe Card: Camp Stick Cooking 03

The camp recipe card set is set up as a list for kids to track what they liked in their final creation.

Camp Recipe Cards

This camp recipe card is designed specifically for stick cooking.

You can print out the sheet of 4-up cards and write on them what you're including so the kids have a list of what's in the sample they tried.

You also can use these to give each kid a blank card so they can experiment and track which items they liked when they created a specific dish. This allows them the ability to remove items they don't like or can't have due to allergies.

This recipe card is 1-color, black, with a print font.
