Recipe Card: Thanksgiving 01

The biggest part of Thanksgiving is the meal where family and friends gather to spend time together.

Recipe Cards

Start a new tradition by making and sharing recipe cards. The cards can reflect foods you traditionally serve or new ones so everyone can see what's in the food before they eat it. Allergy concerns are something you don't want to worry about over the holiday.

Cards are created by cutting the sheet in half twice – horizontally and vertically.

This recipe card features a pumpkin and wheel as the design.
