Enrichment Project Badge Track Sheet

This track sheet is based on the the following badge program:

Bicycler

The track sheets on the next page can be used as a way to communicate what a participant has earned.

The sheet can include the name of the participant and the steps they've done or an explanation of the activities that encompassed a meeting or event.

It can be given to participants on-site, provided to parents interested in tracking their child's accomplishments, or given to group or troop leaders as proof of the work they did.

NOTE: The tracking sheet prints 3-up. It has less space, but you can get more out of a sheet.
