

Supplement List

This supplement list goes with the following badge program:

Theme Starter

MENTOR LEVEL (paid membership)

All badges will have the following basic information available via the membership library.

- *Youth / Beginner Badge Printable* – badge labels, 12-up
- *Adult / Intermediate Badge Printable* – badge labels, 12-up
- *Mentor / Trainer Badge Printable* – badge labels, 12-up
- *Badge Infographic* – at 150 ppi (web is 72 ppi)
- *Certificate* – youth / beginner level
- *Certificate* – adult / intermediate level
- *Certificate* – mentor / trainer / advanced level

This supplement list also includes badge-specific supplements that are referred to as “Fun” sheets as well as other additional items. These supplements will be placed into the **MENTOR** level of the membership site. It is additional information for those planning to mentor / train others.

Many of these supplements include instructions for activities, challenges, crafts, games and more. In addition, some supplements are simple printables such as color and puzzle sheets. While the above bulleted list is provided with all badges, the badge-specific supplements will vary greatly depending on the badge program itself.

Supplements that are completed at the time of the badge release that fall under the **MENTOR** level may be available for free on the blog for a week. After that, they will be moved to the appropriate level of the membership library.

To minimize work on my part, only this supplement list will continue being updated as I create new materials for badge programs.
