Badge Member List

This badge list goes with the following badge program:

Dabbler: Recipes

MEMBER LEVEL (free membership)
All badges will have the following basic information provided.

- *Badge* — PDF of the badge program
- *Badge list* — this document, badge items per Member level
- *Badge journal* — review pages for after you present the badge program
- *Badge planner* — planner pages for determining what to present
- *Badge printables, general* — 12-up labels for awarding, generic version
- *Supplement list* — supplements currently available per membership level

For all supplements available as part of the **MENTOR LEVEL**, please see the Supplement List.

To minimize work on my part, only the supplement list will continue being updated as I create new materials for badge programs. This continues to happen behind-the-scenes as I work with these badges and see what others have done. Always check for the latest supplement list for your specific badge program before starting the planning process.

To find out more, see the **General: EP Badges.**
