Badge Print Sheet: Full Page

This print sheet is based on the the following badge program:

Dabbler: Recipes

The color sheet will initially be available at full page size (8.25” x 11”). That is this supplement.

The larger sheet can be used as a sign to announce the activities, as a ceremonial reminder, etc.

It can also be used as a cover for materials provided as a workshop based on the badge program. Digitally, you could include this in a file for tracking a participant’s training.
